## ABOUT US

**UNIVERSITY  
OF JUBA**

The University of Juba (UoJ) is a comprehensive premier South Sudan's University that was established in 1975 and admitted its first students in 1977. The University currently boasts over 30,000 students spread across 16 Schools, 2 Colleges, 3 Institutes, and 4 specialized centers of which over 4,000 students studying at postgraduate level. We are based in Juba downtown, the beautiful and cosmopolitan capital of South Sudan.

"We don't just give students an education and experience that sets them up for success in a career. We help them succeed in their career—then discover a field they're passionate about and dare to lead it."

## WHY STUDY AT UNIVERSITY OF JUBA

We are a leading educational centre of excellence that is committed to national economic empowerment and social transformation through provision of quality education, pursuit of relevant research, promotion of innovation, facilitation of technology transfer, revival of national cultural heritage, protection of environment, and service to community.
